NOTES: See articles posted at <http://www.gouverneurtimes.com>

Eight districts in St. Lawrence County experienced voting machine malfunctions, and the ballots from those precincts and others that voted at the same polling places were hand-counted by the Board of Elections in Canton rather than at the polling places as required by law. The hand-counted districts were Clare, Colton 2, Edwards, Lawrence 1 & 2, Louisville 1-4, Massena 1 & 2, Rossie, and Waddington 1 & 2. When the original count for these districts (short though the count was in Louisville, Rossie, and Waddington) is subtracted from the preliminary countywide totals (as shown in the table below), the remainder is 11,176 for Owens, 7,770 for Hoffman, and 1,030 for Scozzafava. These numbers are somewhat higher than the numbers reported in the Watertown Daily Times (by 610 for Owens, 502 for Hoffman, and 92 for Scozzafava), indicating that some of the machine-counted districts had not yet reported their results when the Watertown Daily Times went to press.
